

**WBGS and Chorleywood Bookshop are proud to present**

**An evening with Dr Richard Shepherd, forensic pathologist and author**

**On Monday 16<sup>th</sup> September 2019, 7pm-9pm**

**The James Theatre, WBGS**

We are thrilled to announce that WBGS Old Boy and the UK's leading forensic pathologist, Dr Richard Shepherd, will be delivering a talk in the James Theatre at WBGS on 16<sup>th</sup> September 2019.

Dr Shepherd has faced serial killers, natural disaster, 'perfect murders' and freak accidents, all in the pursuit of the truth.

And while he's been involved in some of the most high-profile cases of recent times, including Princess Diana, Stephen Lawrence, the 9/11 attacks and the 7/7 bombings, it's often the less well-known encounters that prove the most perplexing, intriguing and even bizarre.

In or out of the public eye, his evidence has put killers behind bars, freed the innocent and turned open-and-shut cases on their heads.

But a life steeped in death, bearing witness to some of humanity's darkest corners, exacts a price and Shepherd doesn't flinch from counting the cost to him and his family in his memoirs, *Unnatural Causes*.

Tickets cost £8 each and are available now at [www.ticketsource.co.uk/wbgs](http://www.ticketsource.co.uk/wbgs). Book early to avoid disappointment. Dr Shepherd's book, *Unnatural Causes* will be £8.99 on the night.

**Friends of School will be running a cash bar serving pre-event drinks from 6.30pm.**
